*Management contract.* A written agreement between a resident management corporation and a HA, as provided by subpart C.

*Public Housing Agency (PHA)* is defined in 24 CFR part 5.

*Resident management.* The performance of one or more management activities for one or more projects by a resident management corporation under a management contract with the HA.

*Resident management corporation.* An entity that proposes to enter into, or enters into, a contract to manage one or more management activities of a HA.

(2) Whose management and daily business operations are controlled by one or more such individuals.

*Supportive services for FIC.* New or significantly expanded services that are essential to providing families living with children in public housing with better access to educational and em-

#### **§ 964.11 HUD policy on tenant participation.**

HUD promotes resident participation and the active involvement of residents in all aspects of a HA's overall mission and operation. Residents have a right to organize and elect a resident council to represent their interests. As long as proper procedures are followed, the HA shall recognize the duly elected resident council to participate fully through a working relationship with the HA. HUD encourages HAs and residents to work together to determine the most appropriate ways to foster constructive relationships, particularly through duly-elected resident councils.

#### **§ 964.12 HUD policy on the Tenant Opportunities Program (TOP).**

HUD promotes TOP programs to support activities that enable residents to improve the quality of life and resident satisfaction, and obtain other social and economic benefits for residents and their families. Tenant opportunity programs are proven to be effective in facilitating economic uplift, as well as in

improving the overall conditions of the public housing communities.

**§ 964.14 HUD policy on partnerships.**

HUD promotes partnerships between residents and HAs which are an essential component to building, strengthening and improving public housing. Strong partnerships are critical for creating positive changes in lifestyles thus improving the quality of life for public housing residents, and the surrounding community.

**§ 964.15 HUD policy on resident management.**

It is HUD's policy to encourage resident management. HUD encourages HAs, resident councils and resident management corporations to explore the various functions involved in management to identify appropriate opportunities for contracting with a resident management corporation. Potential benefits of resident-managed entities include improved quality of life, experiencing the dignity of meaningful work, enabling residents to choose where they want to live, and meaningful participation in the management of the housing development.

**§ 964.16 HUD role in activities under this part.**

(a) *General.* Subject to the requirements of this part and other requirements imposed on HAs by the ACC, statute or regulation, the form and extent of resident participation including resident management are local decisions to be made jointly by resident councils/resident management corporations and their HAs. HUD will promote tenant participation and tenant opportunities programs, and will provide additional guidance, as necessary and appropriate. In addition, HUD will endeavor to provide technical assistance in connection with these initiatives.

(b) *Monitoring.* HUD shall ensure that the requirements under this part are operating efficiently and effectively.

**§ 964.18 HA role in activities under subparts B & C.**

(a) *HAs with 250 units or more.* (1) A HA shall officially recognize a duly elected resident council as the sole representative of the residents it purports

to represent, and support its tenant participation activities.

(2) When requested by residents, a HA shall provide appropriate guidance to residents to assist them in establishing and maintaining a resident council.

(3) A HA may consult with residents, or resident councils (if they exist), to determine the extent to which residents desire to participate in activities involving their community, including the management of specific functions of a public housing development that may be mutually agreeable to the HA and the resident council/resident management corporation.

(4) A HA shall provide the residents or any resident council with current information concerning the HA's policies on tenant participation in management.

(5) If requested, a HA should provide a duly recognized resident council office space and meeting facilities, free of charge, preferably within the development it represents. If there is no community or rental space available, a request to approve a vacant unit for this non-dwelling use will be considered on a case-by-case basis.

(6) If requested, a HA shall negotiate with the duly elected resident council on all uses of community space for meetings, recreation and social services and other resident participation activities pursuant to HUD guidelines. Such agreements shall be put into a written document to be signed by the HA and the resident council. If a HA fails to negotiate with a resident council in good faith or, after negotiations, refuses to permit such usage of community space, the resident council may file an informal appeal with HUD, setting out the circumstances and providing copies of relevant materials evidencing the resident council's efforts to negotiate a written agreement. HUD shall require the HA to respond with a report stating the HA's reasons for rejecting the request or for refusing to negotiate. HUD shall require the parties (with or without direct HUD participation) to undertake or to resume negotiations on an agreement. If no resolution is achieved within 90 days from the date HUD required the parties to undertake or resume such negotiations, HUD shall serve notice on both
